## Minutes of Committee Meeting held on 12 August 2008

- | <b>1</b> | <b>Matters Arising</b>   | <b>Action</b> |
|----------|--|---------------|
| 1.1      | (1.1) PCT: The PCT have at last provided stats on GP/patient ratios for the district. As anticipated, they show that the Hockley/Rochford area has the highest ratios within the PCT district. We already know that we are by far the worst for dentist UDAs per capita. Also the PCT web-site shows investment plans in 4 of the 7 areas but none in Hockley despite the acknowledged poor state of the Hockley clinic.<br>Agreed to contact local GPs for their views. | BG            |
| 1.2      | (1.1) Traffic Volumes: ECC Highways have now confirmed they believe the B1013 and Folly Lane stats to be correct. Despite this, members still found the results very surprising.<br>Agreed to ask Highways to recount out of school holidays.  | BG            |
| 1.3      | (2.1) Southend JAAP: Comments submitted via web-ste.   |               |
| 1.4      | (2.2) RDC Design, Heritage & Conservation Awards: proposals submitted but the Taylor's development by Station Approach was disqualified as nominated last year.  |               |
| <b>2</b> | <b>New business:</b>   |               |
| 2.1      | Arriva Buses: Numbers 7 & 8 to be reduced to one per hour, which was felt to be inappropriate.<br>Agreed to write to Arriva expressing our concerns.   | BG            |
| 2.2      | Barnwell Drive: Bollards missing. Highways to be asked to replace with anti-bike barriers.   | AJ            |
| 2.3      | NAP: The meeting was updated on the last NAP. Members felt that cars etc parking unnecessarily on pavements was a priority concern.  |               |
| 2.4      | Vice Chairman: Alan James was elected in Richard Vingoe's place.   |               |
